What is Flower of Romance Star?

Written by MASTER LIM ENG CHEONG

Time to dim the lights, put on soft music and light up the candles. February is here, a time for love and romance. Restaurants can't wait to dish out their tender cuisines, florists will be smiling from ear to ear, and demand for precious gems will be heading north. Ladies and Gentlemen, Valentine's Day is here!

In conjunction with the Valentine's Day, I thought that it may be a good idea to share with you some insights on the "Flower of Romance" star (桃花) in this issue. For singles, do not be despair. I shall also offer some simple Feng Shui tips in the later part of this article to help you to activate your *Flower of Romance* sector!

As the name implies, *Flower of Romance* is related to one's romance luck. It also gives an indication of one's attractiveness and popularity. Have you ever thought of why some people are just more popular and well-liked among their peers? Why are some people more charismatic than the rest? Very likely, these people are born with one or several *Flower of Romance* star/s in their Four Pillars or Eight

Characters (commonly known as Ba Zi 八字). Mind you, these people may not be extremely good-looking, but they are charming and people magnets. They can socialise well and people enjoy being with them.

People with *Flower of Romance* star/s in their Ba Zi are also prone to fall in love more easily and are quick to enter into an intimate relationship. Spouses like to ask me if their partners are faithful to them or their marriages. To do a quick check, we can scan their Ba Zi and Luck Cycle for *Flower of Romance* star/s to see if he/she is likely to experience affectionate encounters. Usually when there is a *Flower of Romance* star in one's Hour's Pillar of his/her Ba Zi, this person is more likely to stray or engage in extra martial affairs. When *Flower of Romance* star/s is/are evident in your other Pillars, namely the Year, Month and/or Day Pillar, it means that you will have a loving relationship with your partner. So do not get too upset or worried if your partner has *Flower of Romance* star/s in his/her Ba Zi. It depends on where the star is!

In a relationship, both partners have to work hard together to achieve an amicable and loving one. I view Ba Zi as inborn personality traits but when a person grows up and matures, under the influence of surrounding environment and the effort put in, he/she will develop logical and cultural sense of thought. This development may have an impact to the severity of the consequences. However, if events are bound to happen, they will still take place.

Now that you get warmed up and eager, I hear a loud question in your mind. How do I identify my *Flower of Romance* star? I have drafted a table in the following page for your reference. From the table, you will be able to identify your star and its corresponding sector and direction.

*So, do I have
Flower of
Romance Star ?
And how to
identify it ?*

*“ PEOPLE WITH **FLOWER OF ROMANCE STAR/S** IN THEIR **BA ZI** ARE PRONE TO FALL IN LOVE MORE EASILY AND ARE QUICK TO ENTER INTO AN INTIMATE RELATIONSHIP. ”*

Flower of Romance Table

YEAR OF BIRTH	SOLAR YEAR	FLOWER OF ROMANCE	DIRECTION/ SECTOR
Rat (子)	1924, 1936, 1948, 1960, 1972, 1984, 1996, 2008	Rooster (酉)	West
Ox (丑)	1925, 1937, 1949, 1961, 1973, 1985, 1997, 2009	Horse (午)	South
Tiger (寅)	1926, 1938, 1950, 1962, 1974, 1986, 1998, 2010	Rabbit (卯)	East
Rabbit (卯)	1927, 1939, 1951, 1963, 1975, 1987, 1999	Rat (子)	North
Dragon (辰)	1928, 1940, 1952, 1964, 1976, 1988, 2000	Rooster (酉)	West
Snake (巳)	1929, 1941, 1953, 1965, 1977, 1989, 2001	Horse (午)	South
Horse (午)	1930, 1942, 1954, 1966, 1978, 1990, 2002	Rabbit (卯)	East
Goat (未)	1931, 1943, 1955, 1967, 1979, 1991, 2003	Rat (子)	North
Monkey (申)	1932, 1944, 1956, 1968, 1980, 1992, 2004	Rooster (酉)	West
Rooster (酉)	1933, 1945, 1957, 1969, 1981, 1993, 2005	Horse (午)	South
Dog (戌)	1934, 1946, 1958, 1970, 1982, 1994, 2006	Rabbit (卯)	East
Pig (亥)	1935, 1947, 1959, 1971, 1983, 1995, 2007	Rat (子)	North

For example, if you are born in Rat Year (子), your *Flower of Romance* star is the Rooster (酉). If one of the characters in your Ba Zi is the Rooster (酉), it means you are born with a *Flower of Romance* star in your destiny. It could also mean that when it comes to Rooster Year, you will

have more socialising opportunities and the likelihood of you entering a relationship is higher. On the flipside, if you are down in luck or if you are already attached or married, Rooster Year could be a year when you will be plagued with relationship problems! Remember, there are always 2 sides to a coin.

Feng Shui Tips

Activate your Flower of Romance Star

As I promised earlier, I will share with you some simple Feng Shui tips on activating your *Flower of Romance* sector. If you refer to the table, the right-most column gives you your *Flower of Romance* direction or sector. Using a compass, identify the directional sectors of your bedroom.

For the case of the person born in Rat Year, the *Flower of Romance* sector is in the West. Ensure that the western sector of the bedroom is clean and clear of clutter. I am sure you would not want your relationship to be full of obstacles and unfulfilling. We want a long-lasting, fulfilling, sweet and smooth sailing relationship. So make sure that your *Flower of Romance* sector is clean, neat and tidy!

For singles, you may place a vase of fresh flowers in your *Flower of Romance* sector. This method is easy and effective. Who knows, you may be meeting your Mr. or Ms Right soon! On the contrary, for married people, please ensure that you do NOT have fresh flowers in this sector. I am sure you know what I mean.

What I have presented is a rough guide. Stay optimistic, be cheerful and remain confident. Good luck will come your way.

Happy Valentine's Day!

Flying Star Feng Shui encompasses space and time dimensions. At different times, there will be different energy influences in different sectors. This segment presents to you the energy influences for this period of time (**4 Feb 2010 to 5 Mar 2010**). The effects will be more acute if you have your main door or windows in that particular sector or facing a particular direction. The following chart shares with you the implications and some recommendations. The larger number represents the annual star, while the smaller one symbolises the monthly star.

SOUTHEAST

To ensure long term good luck & prosperity, middle-aged males must abstain from wine & unusual affairs. Beware of beauty trap. You may place lucky bamboos in a clear vase with clean water here.
