They may project a harmless or go-with-the-flow image but deep down, they have a strong conviction and firm viewpoint. They are emotional and sentimental, and are often emotionally affected by encounters of other people. They find it hard to regain their confidence after going through setbacks too.

The Pig clashes with the Grand Duke (太岁) in Snake Year 2025. When there is a clash, there are bound to be changes and movement. It is likely to be hectic and chaotic, and the Pig trudges through the days in a fog of disquiet. The forest is barren, and the venomous serpent is lurking in the shadows and waiting for the opportunity to strike the clueless and oblivious Pig. Do not dance on the volcano or trouble the quiet snake. Caution is not cowardice and carelessness is not courage.
